

Frauscher
engineers of emotions

Founded in Vienna in 1927, Frauscher Boats draws inspiration from its nearly century-long history to shape the future with high engineering and creative vision. A giant in the maritime world with its unique yachts, Frauscher combines luxury-focused, elegant designs with its proven expertise in yacht manufacturing to offer unparalleled experiences. With a philosophy of creating yachts that evoke strong emotions and provide a unique maritime experience, Frauscher produces vessels that are both aesthetically impressive and mechanically superior.

As the only company in the world producing electric boats for Porsche, Frauscher is present in key markets such as Europe, the United States, Australia, and the Middle East.

It has made a strong debut in the Turkish market exclusively through Asmira Marine's distributorship, continuing to sail towards new horizons in yachting with its mastery in superior design and production, alongside the unique Asmira spirit.

DESIGN ICON

747 MIRAGE

747 MIRAGE

A new dimension for luxurious sports day cruisers.

The design of the 747 Mirage is radical: it emphasizes the roots in racing and at the same time it reminds of the construction of a premium sports car. While the exterior shows an uncompromising focus on dynamics, the cockpit is a revelation in diversity. The 747 Mirage has already shown it's status as a design icon in several Hollywood productions.

STANDARD FEATURES

- Engine** MERCUISER V8 6.2I MAG DTS EC; 350 HP; Z-Drive Bravo I
- Hull & Deck** Hull and deck in white • anchorbox at the bow • folding anchor with rope • flag pole at the stern • air intakes in carbon fiber • bow thruster
- Cockpit** Frameless, tinted windshield with stainless steel handhold • side storage in teak • L-bench with upholstery in white • front seats with foldable seating surface • stainless steel handhold for co-driver • fire extinguisher • boathook • 4 fenders • 4 mooring ropes • cockpit floor, walkthrough and bathing platform in teak • 6 cups • ambient lights for cockpit & bathing platform • Fusion RA770 Apollo Marine Stereo with USB, bluetooth and 2 JL Audio M3 speakers • fridge

REVOLU- TIONARY

858 FANTOM AIR

858 FANTOM AIR

This 8.6 metre power boat combines the premium design and top-class handling characteristics of the closed bow model, the legendary Frauscher 858 Fantom – with an even more spacious layout and additional details.

The 858 Fantom Air welcomes its guests with an exquisite teak bathing platform in the stern, which is adjoined by a spacious and comfortably upholstered lounge area for two. A generous teak walkthrough connects the aft area to the main cockpit and the centred helm console, from which the Frauscher 858 Fantom Air gets its name. Two padded seats at the bow will provide some additional comfort.

STANDARD FEATURES

UNIQUE AND ELEGANT

1017 GT AIR

1017 GT AIR

The 1017 GT Air is a joy to handle and offers maximum comfort with all her functional fittings. The 1017 GT Air has charms of her own, offering the perfect blend of comfort and performance.

“In developing the 1017 GT Air, our main goal was to improve the feeling of space on board: the centred helm, the extended benches and innovative storage solutions create a completely new feeling of freedom of movement over a length of 10 metres. Another priority was the dynamisation of the design language. In this regard we succeeded perfectly with the spherical wind-shield and the impressive ambient lighting”, explains Michael Frauscher.

STANDARD FEATURES

Engine	2x MERCUISER V8 6.2I DTS EC; 350 HP; Z-Drive: Bravo I

(R)EVOLUTION

1212 GHOST

1212 GHOST

1212 GHOST

Ghost stories usually come from imagination. And this is also the case with the 1212 Ghost, where the allure of the unknown has fired the imagination of the Frauscher Shipyard development team.

The glamour of a sports car paired with the understatement of a luxury saloon, unobtrusive and yet eye-catching – this is probably the best way to describe the design of the 1212 Ghost. The large teak deck acknowledges our indebtedness to classic boat building while the threedimensional, lateral air intake emphasises the characteristic side line and, at the front, the vertical stem rises above the bow wave.

The 1212 Ghost embodies the essence of the Frauscher DNA.

STANDARD FEATURES

Engine	2 x MERCURISER V8 8.2l MAG HO DTS; 430 HP; Sterndrive: Bravo IIIx
Hull & Deck	hull and deck in white • hatch on foredeck • anchorbox in front with electrical windlass, chain counter and anchor • flag pole at the stern • anti fouling paint • teak deck on foredeck & anchor hatch & deck • bow thruster

ENDLESS FUN

1212 GHOST AIR

1212 GHOST AIR

With the 1212 Ghost Air, Frauscher is reinterpreting the classic walk-around concept with a centre steering position. Design, performance and workmanship continue to bear the well-known Frauscher signature. The 1212 Ghost Air visibly continues the design language of its closed sister model. She consistently follows the philosophy of the Air series: the combination of dynamics and emotion with a generous amount of space on deck.

Arriving at the side outdoor kitchen with fridge, sink and grill, the view merges seamlessly into the generous seating and lounging landscape. Here, the spirit of the Air models were captured. The height-adjustable table, for example, transforms the seating area into an inviting reclining surface in no time.

STANDARD FEATURES

Engine	2 x MERCUISER V8 8.2I MAG HO DTS; 430 HP; Sterndrive: Bravo IIIx
Hull & Deck	Hull and deck in white • hatch on foredeck • anchorbox in front with electrical windlass, chain counter and anchor • flag pole at the stern • anti fouling paint • teak deck on foredeck & anchor hatch & deck • bow thruster

ELEGANCE HAS A NAME

1414 DEMON AIR

1414 DEMON AIR

The silhouette of the Frauscher 1414 Demon Air expands the typical design notes of the Frauscher Shipyard.

With the freestanding centre helm the Air variant offers more space and comfort than any other Frauscher boat. On deck, the 14 metre long offshorer has a welcoming lounge area with a bar and a spacious bathing platform. Inside you will find a large bathroom and 2 sleeping areas that can accommodate up to four guests. These features turn the 1414 Demon Air into a highly functional Gentlemen's Racer for both, daily and overnight trips.

Frauscher

PORSCHE

FURTHER TOGETHER

850 FANTOM

Frauscher X PORSCHE

850 FANTOM

The collaboration between the Austrian Frauscher Shipyard and sports car icon Porsche enters its next exciting phase.

Following the world premiere of the 850 Fantom Air in October 2023 the partnership now unveils the Frauscher x Porsche 850 Fantom, a classic runabout with a closed foredeck and a luxurious cabin. Inside the cabin, spacious seating and comfortable loungers invite you to relax and unwind. The cockpit, along with the steering wheel and seats, proudly features Porsche's signature design, combining elegance with a sporty aesthetic.

STANDARD FEATURES

- Engine** PORSCHE 400 KW electric engine with 100 kWh PORSCHE battery
- Hull & Deck** Hull and deck in white • anchorbox in the front • flagpole at the stern • bowthruster • special PORSCHE design details • electrical windlass with stainless steel anchor and chain counter
- Cockpit** Frameless tinted windshield • teak floor • upholstery in white • front seats with foldable seating surface • stainless steel grip • fire extinguisher • boathook • 4 fenders • 4 ropes • 7 glasses • PORSCHE crest at seat back • PORSCHE stainless steel-leather steering wheel • 12" touchscreen display incl. chartplotter • Fusion Marine stereo with USB, Bluetooth, 4 illuminated JL Audio M6 speakers & amplifier • fridge in cockpit
- Cabin** Teakfloor • generous padding • side panels • harmonious lighting • storage box
- Sun & Bathing** Sunpad • teak bathing platform • bathing ladder • waterski hook • bimini top
- Electric** Complete electric system including batteries • 2 pieces of underwaterlights in white • position lights • cockpit lightning • bilgepumps • horn • CCS plug to charge up to 270 kW DC and 11 kW AC

OPTIONAL FEATURES

- "Strictly limited First Edition 01 of 25
The fully electric drivetrain of the future Porsche eMacan was carefully adapted or marine use, taking into consideration the special requirements needed in a difficult environment like shock absorption, additional cooling through Seawater, resistance to temperature fluctuations and salt-water proofing."
- Solid or metallic paint in special colour (anti fouling paint required) selectable from the PORSCHE collection
- Anti fouling paint
- Bimini extension for sun pad
- Diamond stitch for upholstery
- Electrical toilette with black water tank
- 12" passenger screen
- Storage cover

PASSION BUILDS PASSION

850 FANTOM AIR

Frauscher X PORSCHE

850 FANTOM AIR

It's about time. Full speed ahead. Into new worlds of emotions.

The innovative Frauscher boat design meets Porsche's state-of-the-art e-drive technology – a fusion of two corporate DNAs brimming with superlatives. The incomparable aesthetics of the Frauscher design language, crafted with precision mastery and equipped with the latest Porsche e-technology, gives dynamics a new dimension. An exclusive electric sports boat has outstanding handling. 8.67 metres of pure thrills.
